TO: Wayne Brandon **FROM:** Lana Gruzina
FAX: 01253 4010198 **FAX:** 1(732)281-2009
COMPANY: Blackpool Pleasure Beach **VOICE:** 1(732)281-2007
SUBJECT: MaxFlight Service Bulletin# SB10172000 **PAGES:** 2 5
SENT: April 8, 2004

Please Pass to your Technical Department

Subject: Restraint Systems

**To: All owners/users of MaxFlight Virtual Reality Machines both Hydraulic and Electric.
Any/all models.**

The Hydraulic Lap Bar Restraint Systems have been discontinued and are no longer a serviceable item.

The replacement system is an all in one actuator and gas spring mechanism with a remote release lever.

The installation of this new system will take approximately one hour.

The new system is available immediately and will require a purchase order for MF part# SE22001 in Kit form, the cost is \$175.00 per unit.

Page 2 of this bulletin gives a complete parts list. Please maintain it for your records.

*Thank you for your attention to this matter.
MaxFlight Technical Department.*
